

**May 2007 is National  
Hepatitis Awareness Month  
Support Hepatitis A & B Vaccination!**

**Getting to Know Your  
Local Hepatitis Vaccine Provider  
What to Ask:**

In order to provide good referrals for your clients, ask your local hepatitis vaccine provider these questions:

1. What are their hours?
2. Do people need an appointment for vaccination? If so, how do they make one? What phone number do they call? If not, can they just walk in?
3. Are they located near public transportation?
4. Is there a cost?
5. What can a person who shows up for vaccination expect to experience?

**Share this information with your colleagues to make referrals to all clients more active and helpful.**
